Master Tile supplies the finest in swimming pool tile, coping, plastering, and decking products. Since our origin in 1998, Master Tile has been a leader in the introduction of new and innovative products for the swimming pool industry. We import waterline tile from premium manufacturers throughout the world. Our coping lines include kiln-fired clay brick as well as imported natural stones.

We have locations in Houston, Dallas, Oklahoma City, New Jersey, Tampa, Anaheim, and Las Vegas. Through our numerous locations and well-stocked inventory, Master Tile is capable of shipping material directly to customers, anywhere in the U.S., on a daily basis. Our state-of-the-art showrooms offer our customers an opportunity to manipulate and view their tile and coping selections in a way that will allow them to visualize them on a pool. Master Tile also supplies samples to further assist in the selection process.

Shade variations are an inherent characteristic of all kiln-fired ceramic tiles. Please inspect actual shade of tile before installation. Use constitutes acceptance.
Travertine Stone  Copping and deck tiles are available in eleven beautiful colors. They are available in various sizes of coping and paving tiles. They are ideal for interior as well as exterior uses. As with any natural stone, slight imperfections in color, size and shape are to be expected. We strongly recommend inspection before installation. Use constitutes acceptance.

**Classic Travertine Coping 3cm**

Call your local branch for pricing and availability.

Slightly thinner at 1¼" thick, this travertine coping offers the elegant look of natural stone at a price level comparable to flagstone as well as brick bullnose coping.

**TORREON**

Honed 12 x 12 Coping

Tumbled 12 x 12 Coping

**NOCHE**

Honed 12 x 12 Coping

Tumbled 12 x 12 Coping

Expect shade variation

All natural stones must be sealed (see page 41). Sealing is an absolute MUST to guard against salt attack on salt water pools, as well as water penetration that can affect the durability of the stone. Buyer must determine that the product’s slip resistance is acceptable for an outdoor application.

Travertine Pavers

Call your local branch for pricing and availability.

Available in 1¼" and 1" thickness

**Torreon Tumbled Versailles**

**Noche Tumbled Versailles**

**Travertine Pavers \ NOCHE TUMBLED VERSAILLES**

Freeze-Thaw Warning: Torreon and Noche Tumbled Travertine coping and Travertine Pavers are not recommended for climates where severe freeze-thaw cycles are experienced.

Natural Slate has a texture and range of color unlike any other natural stone. Slate combines beautifully with other natural materials and is an excellent choice for exterior applications. It is available in a variety of colors and sizes for decking applications. As with any natural stone, expect slight imperfections in size and shape. Wide ranges in color enhance slate’s natural beauty, as no two pieces are alike. We strongly recommend inspection before installation. Use constitutes acceptance. Some flaking of slate should be expected after installation. Condition will lessen over time.

Shade and size variations are inherent characteristics in all handcrafted ceramic and glass tile products. These variations are a trademark of handcrafted quality and add to the unique beauty of your individual mosaic. Our mosaic tile has passed ASTM C1026 Standard Test Method for resistance to freeze/thaw cycling, and is impervious to normal pool chemicals. We guarantee our mosaics for life.
